

NLP Business Practitioner Certification.

UNLOCK YOUR PROFESSIONAL POWER WITH FULL FORCE TRAINING

Professionals with Invigorative NLP Business qualifications are able to:

1. Career manage themselves more effectively
2. Gain higher financial returns for their time
3. Feel more satisfied both professionally and personally

Through understanding the structure of human behaviour and learning how to model patterns of behavioural excellence you will:

Acquire the tools to get better results with less money, time and effort.

Gain the confidence that only comes when you are certain that you know what you are doing & how to do it.

Develop the ability to know how and why people 1: behave the way they do, 2: take in & use information, 3: engage in the achievement of their wants/desires 4: relate to themselves and others.

Discover that how you see yourself, speak to yourself and feel about yourself is probably the most significant factor in whether or not you are successful in any aspect of life.

Invigorative's NLP Business Practitioner is structured as a Business Management Diploma followed by a Business Practitioner Certificate which is underwritten by the NLP Trainers Registration Body. Both programmes provide 2 one-to-one coaching sessions with an NLP Business Coach, so you can address any immediate professional difficulties that you may be having.

Practitioner of NLP Part 1: NLP Business Management

Gain your NLP Business
Management Diploma

In this 9 - day program your learning outcomes will include.

- Learn what people are really saying and develop precise language skills for communication excellence.
- Learn to read the non-verbal language of others.
- Develop exceptional people skills and enhanced business and personal relationships.
- Establish deep rapport with anyone you choose increasing your understanding of yourself and others.
- Develop the ability to adjust quickly to change.
- Discover ways to remove the unconscious personal barriers that impede your progress.
- Gain greater clarity in setting and achieving your outcomes.
- Achieve resourcefulness and flexibility and increase your productivity.

Practitioner of NLP Part 2: Comprehensive NLP

Gain your NLP Business
Practitioner Certificate

In this 11 - day program your learning outcomes will include.

- Develop peak performance strategies and gain an edge in all aspects of financial transaction, business and life.
- Incorporate into your own behaviour any aspect of excellence that you want.
- Accommodate a stressful environment, dissolve conflict and adjust quickly to changes in structure, organisation and product.
- Gain enhanced decision-making strategies that are aligned with your values.
- Develop business strategies that will bring others to a quicker decision point.
- Assist others to make the changes they want to get the results they need.
- Learn to access your resources and develop professional gravitas.

" You get first class training by professionals who know the stuff backwards, forwards, sideways and from top to bottom. The learning you take away is extremely powerful. With the careful guidance from the trainers you will find this course enriching, brilliant, challenging, full of subtle simplicity and life altering. I only wish I'd done this course years ago."

Bhavna Hari, Project Manager

What can I expect?

Invigorative's bespoke-style NLP ensures that you will graduate as a highly skilled professional in the field.

You will have completed a comprehensive training program that makes a significant difference to both your professional and personal life.

Trainings are conducted in a brain compatible generative learning style that maximises the impact that these new tools and techniques will have on your life and your business.

Program delivery combines lecture, questioning, one to one activities and group exercises with small interactive classes and low trainer student ratios.

Invigorative's NLP Business Trainings are purpose built to deal with the business and professional issues of profit earning capacity, career satisfaction, communication and relationship difficulties. Personal benefits include better decision making and the ability to achieve personal goals with much less fuss.

About Your Trainer

Dr John Gemmell is the CEO of Invigorative's International operations. He is a Certified NLP Trainer and European Manager of the NLPTRB. John has been unlocking the professional edge in business professionals for over a decade. John's reputation as a leader in the field of NLP Business is largely due to his expertise in dealing with complex business and professional problems quickly while ensuring that the people side of the equation is well managed.

Ensure You Get What You Need

Our proven mix of Classic and New Code NLP offers the best training, allowing you to develop the confidence that comes from really knowing what you are doing and how you are doing it.

The results reported by our last round of graduates solidly supports our reputation as London's leaders in unlocking professional capacity.

- > **75% experienced salary increases**
- > **50% started their own business**
- > **50% were promoted which progressed their career**

Doing the NLP Business Practitioner with John Gemmell has been the most significant thing I have done in my adult life. It has profoundly changed my personal and my professional life. The skills and techniques I've learned have helped improve the quality of my management and of my business consultations more than any other single factor over the past ten years. Nothing that I previously knew about NLP could have prepared me for the impact of this training. You have to do it in order to comprehend fully just how powerfully useful this stuff is.
